

## Help Us Raise the Roof by Sponsoring a Commemorative Brick or Tile!

Designed to accommodate everything from *Camp YaGottaWanna* in the summer—to classes, social get-togethers and other community functions during the rest of the year—the new Warren Dailey Cabin will be used and appreciated by the entire Village. And our *Raise-the-Roof Fundraising Campaign* is a great opportunity for each of us to show our support.

*The original "Girl Scout Cabin" (not to be confused with the log Boy Scout Cabin also located in Fireman's Park) lacks a foundation and plumbing—and repairs necessary to bring it up to code wouldn't be cost-effective.*

*Started by Village parents in 1990, Camp YaGottaWanna has initiated lifelong friendships between kids and their families.*

*Commemorative bricks and tiles will be placed on the porch that surrounds the cabin. Sponsor a brick for each one of your camp alums—and a tile for your family!*

*Designed by architect and Village resident Chris Harmon, the new cabin includes plenty of interior space, a craft area with sink, ample cabinets and storage, a unisex ADA compliant bathroom and is surrounded on three sides by a shaded porch.*
