Apartment Building. By Tim Krueger

May 2019

Recently, the Village provided final approval for the 29 unit Apartment Building at the corner of Roxbury Road and North Sherman Avenue.

We anticipate that the existing building will be Razed and the site preparation work will begin for Construction very soon. Asbestos abatement has already been completed. The construction of this project should last approximately 10 months with an anticipated opening of the new building in Spring 2020.

Village staff is working with the Developer, their Contractor (Krupp Construction), as well as, various City of Madison Departments to facilitate this project. To ensure a safer work zone and to provide access for construction equipment, personnel and overall staging, Roxbury Road will be closed between Kensington and N Sherman Avenue. As the phases of construction change, so too will the need for traffic control. Local traffic (for homes with driveways on Roxbury Road) will still be able to access their homes and driveways, but will be limited to ingress/egress via Kensington.

Recognize that traffic in this corridor will be affected. N. Sherman Ave will be slightly narrowed with concrete protective barriers against the curb. There will be some limited periods of time/days when N Sherman has to be closed down to vehicular traffic. Pedestrian traffic will be affected as the sidewalk on N Sherman is closed between Commercial and Roxbury. This means the Bus Stop for the southbound lane of N Sherman will be moved further North to the intersection with Roxbury Road.

Madison Metro will be providing signs for the temporary location of the bus stop. Please stay alert for changing conditions. Contact the Village Center with any concerns.

Did you know that there is a registry available that allows a homeowner to be notified when a landscape pesticide will be applied to a neighbor's property? The registry is already closed for this year (2019) but you can learn more from their website. Here is a portion of the information available at that site:

Landscape Pesticide Registry

The Landscape Pesticide Registry allows Wisconsin residents to be notified 12 hours before commercial pesticide applications to neighboring landscapes. It is a service offered by the Wisconsin Department of Agriculture, Trade and Consumer Protection.

You register by providing your contact information so that lawn care businesses can notify you when necessary. You must also list all the addresses of places in your neighborhood that you wish to be notified about when companies are going to apply landscape pesticides. Properties can only be registered if they are located on the block where you live, or blocks that are immediately adjacent to the block where you live.

More details are available at this website: https://datcp.wi.gov/Pages/Programs_Services/LandPestReg.aspx

Public Works

Spring 2019. By Tom Schroeder

Welcome to Spring 2019...finally. With spring cleanup underway please follow the guidelines for placement of yard waste at your terrace. Please use your terrace and not your neighbors or any parkway. Be sure that segregated materials on the terrace and not in the street and also away from any obstruction that would delay or prevent our ability to reasonably perform the collection. Questions? Please call.

We plant trees this time of year! If you have space and would be a good steward for a street tree please give me a call at your earliest convenience. Enjoy the outdoors!

THE MAPLE BLUFF BOCCE BEACH BASH started 16 years ago in the heart of Maple Bluff. Played on courts made in the yard adjacent to the Beach House on the shores of Lake Mendota, summer officially kicks off with the top raising fundraiser for Maple Bluff's gorgeous parks and engaging programs. Past earnings have gone toward new playground structures, a bike repair station, beach house remodel, constructing the Warren Dailey Cabin and free-to-use paddle boards.

BOCCE BEACH BASH participants and attendees have the chance to fill up their social calendars with wonderful parties and events through a silent auction, while also planning trips to fabulous and enticing vacation homes. Silent auction baskets full of goodies and gift certificates help promote local businesses, all while supporting the continued enjoyment of the finest parks Maple Bluff has to offer to the public.

INTERESTED IN DONATING? Donations to Maple Bluff Parks and Rec may be tax-deductible, and we are grateful for your consideration and support. If you are curious to find out even more, we encourage you to stop by on June 7th, 2019 or sign up ahead of time to play! Food and drink are available for purchase. Fun, bocce talent, and bragging rights of silent auction winnings are the responsibility of each attendee.

IF YOU HAVE QUESTIONS OR WOULD LIKE TO MAKE A DONATION, please contact Sarah Shah at mrs.sarahshah@gmail.com OR Trish Grant at trishlgrant@gmail.com
