Maple Bluff Police K9 Retired

Maple Bluff, WI - On Tuesday, November 9, 2021 the Maple Bluff Village Board honored the service and career of K9 Officer Ali. At the recommendation of Ali's veterinarian, she was retired from service on October 3, 2021 for medical reasons. She joined the Maple Bluff Police Department on December 1, 2015 and has worked tirelessly for the past six years to assist our officers and the public.

The Maple Bluff Village Board passed a resolution approving the retirement of Ali and her adoption by handler and partner Sgt. Kyle Dabbs. The Village of Maple Bluff and the Maple Bluff Police Department appreciate the support of everyone who helped make Ali's service to the community possible and wish her a happy retirement.
