JUNE 4th – VILLAGE GRADUATION PARTY

Graduation of our high school students is approaching. Each year, the senior parents host a village grad party at Beach Park. It is held the Sunday after bocce—this year, June 4. We’re in planning stages now and want to be sure we haven’t missed anyone. **Be sure your grad is included!** If you haven’t received an email yet, please contact Laura Verhoff at LSVerhoff@charter.net.

2022 Dailey Service Award Winners

The Dailey Service Award is a prestigious award named after the first recipients, Warren and Ann Dailey (2004), which recognizes individuals whose village volunteerism and leadership are both extraordinary and inspiring. Much like many of their predecessors, this year's winners stand out for their countless hours of volunteering and dedication to the Village. Most of you likely have known them from the email reminders regarding the Bocce Beach Bash Silent Auction. It is with great honor to recognize Trish Grant and Sarah Shah as the recipients of the 2022 Dailey Service Award.

Sarah Shah began her involvement in 2016 while assisting then-Chairs Cynthia Johnson and Sheila Young with entering donation items. Trish Grant joined the Silent Auction team in 2018 to jointly take over the helm from Sheila Young and Cynthia Johnson. Trish and Sarah have continuously met and exceeded the high bar of the silent auction benefiting Maple Bluff's Parks and Recreational Programs set by the previous organizers. Collectively, Trish and Sarah have raised over \$150,000 in donations from the silent auction with the two highest grossing events occurring in 2019 and 2021, respectively. This money has been used to help fund new playground equipment at Beach, McBride, and Firemen's Park, adjustable basketball hoop at Firemen's Park, bike repair station at Beach Park, and key fob access to facilities, just to name a few. Their months of planning, organizing, and outreach are on top of full-time careers and raising growing boys. The continued success of the auction would be impossible without the donations from all our generous neighbors. The vacation homes, parties, unique experiences, and friendly competitions are not only what make this fundraiser successful, but what makes Maple Bluff a very special place to live.

Please join us in recognizing Trish Grant and Sarah Shah at 5:00pm, June 2, 2023, as a kick-off to this year's Bocce Event.

Welcome and Good Luck! By Tanner A. Nystrom

Last month, I alluded to the appointment of our last Trustee vacancy. I am excited to welcome Ben Schmidt to the Village Board! In addition to previously held seats on our Plan Commission, TID Sub-Committee, and Ordinance Recodification Sub-Committee, Ben's appointment to the Board also includes membership on the Ordinance Committee and Chairmanship on the Public Works Committee. We greatly appreciate Ben's willingness to contribute and recognize his commitment to keep our community the independent and distinguished lakeside community that it is. Welcome Ben!

I would also like to recognize three of our part-time Police Officers who have been hired full-time at other agencies. Congratulations to Chris Jauch, JP Contreras, and Matt Dammen! Each of these officers served our community over the past several years, however with their new commitments will be unable to continue their part-time employment with us. We wish them the best of luck as they progress in their careers! Although losing part-time officers can be a challenge for our small team, I am happy to say that we currently have multiple candidates in the assessment and selection process - I look forward to announcing the additions to our team in the coming months!

As we approach storm season, I want to make sure to provide an update on our partnership with Madison Gas and Electric (MG&E) to improve village power infrastructure. As you may recall, we sent a survey to recipients of our email contact list late last year, asking residents to

provide feedback about undergrounding electrical lines throughout our community. We had an outstanding turnout and I want to thank all who participated! We will conduct one final round of targeted information gathering and then share all data with MG&E. We are hopeful that with this information, our partnership with MG&E will lead to reduced susceptibility to storm outages.

In addition to infrastructure improvements, we are continually striving to enhance our communication with you, our residents. Summer is a very active time in the Village and, if you aren't already, please consider signing up for village notifications. Just go to www.villageofmaplebluff.com and click on the "Notify Me" tab. From there you can find information on how to sign up for email updates, text alerts, and social media notifications.

On a parting note, I want to personally thank our Recreation Director Curt Erickson for all his hard work coordinating our summer activities. Because of his dedicated focus, we can look forward to activities like Concerts in the Park, Arts and Athletics, Camp-Ya-Gotta-Wanna, Bocce, and the Fest on the 4th celebration! I look forward to another gorgeous and fun-filled summer in the Village.

Please remember to keep the summer safe and enjoyable for all - drive, bike, and walk with courtesy.

Sincerely,

Tanner A. Nystrom

2023 Property Assessment Open Book and Board of Review Sessions

2023 Open Book sessions will be held by phone with the assessor on Monday, June 26th from 1:00pm - 3:00pm. Please call 920-749-1995 to set up a telephone appointment.

If the assessor is not available when you call to make an appointment, please leave a message and they will make every effort to return your call within 24 hours. Please provide your name, phone number, the Municipality in which the property is located, and the Parcel Number from your assessment notice or tax bill.

If you wish to enter a formal appeal to the Board of Review, you must give notice of your intent by contacting the municipal clerk at least 48-hours before the Board of Review begins on July 11, 2023 at 7:00pm. Failure to provide 48-hour advance notice to the clerk may result in denial of a hearing at the Board of Review. To obtain an Objection Form and make an appointment for the Board of Review, please contact Sarah Danz, Village Clerk, at 608-230-7651 or sdanz@villageofmaplebluff.com

Fire Rescue Department By Kristopher Loy, Fire Chief

Response Information:

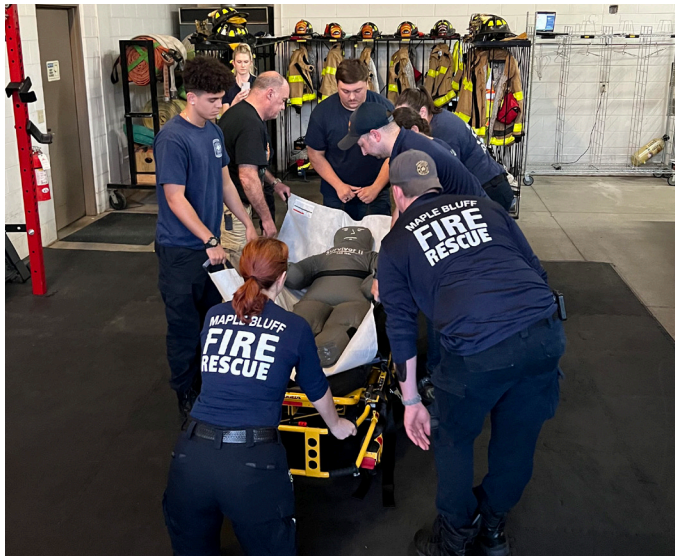

The Maple Bluff Fire Rescue Department (MBFD) has responded to a total of 59 calls for service in 2023.

The MBFD's new ambulance has responded to 15 emergency medical calls which resulted in nine patients being transported to area hospitals since going into service March 1st, 2023. Our crews have an average response time within the Village of 3 minutes and 50 seconds (from the time we're notified to our arrival on scene).

EMS Week:

In 1974, President Gerald Ford authorized Emergency Medical Services Week to celebrate EMS practitioners and the important work they do in our nation's communities. From May 21-27, 2023, the MBFD honored our personnel who dedicate countless hours of training and on-call time to help provide day-to-day lifesaving services to our residents. Thank you to all our Emergency Medical Providers and our Medical Director, Dr. Patrick McKenna.

Recruitment:

The MBFD is continually recruiting firefighters, emergency medical technicians of all skill levels, as well as other medical professionals who are interested in serving our community. Our department offers a stipend for on-call time, attendance at trainings, and emergency responses. If you are interested in joining the MBFD, please contact Assistant Chief Jeff Drager, jdrager@villageofmaplebluff.com or visit the Village's Employment Page to download an application. www.villageofmaplebluff.com

Fundraising Events:

The Maple Bluff Fire Rescue Association will be holding several fundraising events throughout the summer of 2023. They've again teamed up with Beef Butter BBQ to sell beverages at each of the Concerts in the Park. The Maple Bluff Concerts in the Park are scheduled for June 12, 19, 26, and July 10, 17, 24. The Fire Rescue Association will also continue its tradition of selling food and beverages for the Village's Fest on the 4th Celebration at Johnson Park on July 4, 2023. They will be serving beverages before and during the fireworks display at Beach Park that evening as well.

The Maple Bluff Fire Rescue Association, Inc is a 501c3 non-profit organization organized to help support and assist the firefighters in the Village of Maple Bluff. Their organization performs numerous fund raising and community service events throughout the year that benefit the Village of Maple Bluff and the MBFD's finest. If your budget allows, the Association appreciates donations of any size to help with their efforts to support the MBFD.

Newsletter from the Department of Public Works - June 2023

Spring in the Village is a busy time of year! The transition from winter conditions to an exasperating springtime warm up...and cool down...repeat the episode over and over again. It appears that spring is here to stay and will give us some flashes of summer to boot. The season's cleanup is under way as we attend to the snowplow scrapes and restoration from the contractor that worked the undergrounding for AT&T last year. Residential clean up is and has been underway, even some of the aftermath of last year's June storm is still making it to the roadside for collection. I'll touch on some of the highlights.

An Arbor Day & Bird City Celebration took place on April 29th. It was split with the Bird City and Martin House raising taking place at Beach Park with Paul and Barb Noeldner providing an outstanding array of Nature Educational Displays and fun activities for kids and adults alike. Eagle Scout, Henry Gill and fellow scouts provided a Martin House raising as the final act of a very successful Eagle Scout project. The fundraising that took place for this project was so successful the Marina Martin House may see a rebirth this year as well. A great job from the young men of Troop 5 Scouts.

make that happen, I am always looking for good homes for new trees.

The Marina pier is in, and the Beach pier should be in soon.

The grinding of stumps has started. A few of the trees removed were very large, I predict it will take some time to accomplish this mission.

Farwell Drive from Lakewood to Summit will be the focus of our street maintenance this year. The intent is to have pea gravel surfacing this fall. There will be hot mix asphalt repair where the surface has degraded the most. We will address the hot mix work in June or July.

DPW Foreman, Paul Elliott has been addressing several annual DNR submittals that are due this time of year. Paul has been taking on this responsibility for several years now. P.S. the delegating will continue.

Our department is once again in a hiring process to find a new team member for Public Works.

We have a scheduled meeting with the contractors who will be taking on the storm and sewer projects this year. I anticipate that we will come away with a good idea of when the work will take place.

The Arbor Day Celebration took place at the Veterans Memorial with a beautiful Red Maple placed adjacent to a matching Red Maple installed the day before. It was a group effort with the following attendees providing the effort for the tree installation: Julie Cornelius, CeCe Easton, Tim Jackman, Cyndi Sugar, Dave Sugar, Clarke Sugar, and Soren Sugar. I applaud everyone's grit, for the day was cold damp and windy. It was both a pleasure and an honor to spend time with this group of extraordinary people.

We have installed half of the 22 ordered trees for this year's tree replacement program. It will be a challenge to get the balance of our order into their new locations to sustain the diverse urban forest in Maple Bluff. Hint, they are not all maples!!! If you are looking/hoping for a tree, feel free to reach out and contact me so we can

Dear Villagers,

Thank you for a wonderful Bocce Bash! We had so much fun meeting new neighbors, seeing old friends, and bidding on parties for the next year! We raised much needed funds for our Parks department, and we'll be able to use this in renovating Johnson Park in 2024! Bocce is a great example of how our neighbors come together to create something awesome. **Maple Bluff is envied by many other neighborhoods- and this is not just because we are upwind of the Waunakee Manure Digester.** It's because Maple Bluff is the most fun neighborhood ever!

To continue and build on these wonderful traditions, it is essential to have the support and involvement of our village residents. We are so grateful to the people who have donated their time, money, and enthusiasm to these events! Who can forget the Bocce Bad Moms Night Out when Ellen Reyerson, Katie Stephenson, and Emma Henke took home the 1st place trophy? Remember the first annual wife-carry at Fest on the 4th? What about Santa braving the freezing cold to ride the fire truck for his Tree Lighting? **We need fresh energy and continued participation to keep these fun things going! Please consider volunteering to chair or co-chair one of these events.**

As a village resident with young children at home, a full-time job and the gift of leaf raking well into December, I understand that our lives have become exceedingly busy. It's hard to squeeze in volunteer work. But here's

the thing - **we're all busy.** I often hear people say "Let's get the new residents to do it, let's ask people with little kids, let's ask people with teenagers, let's ask empty nesters, let's ask retirees, let's ask someone new to the neighborhood, let's ask someone who hasn't volunteered before because I already did it - **ask anyone but ME.**" We all have things that keep us busy. We all need to make time. We all need to squeeze this in. **We all need to volunteer again, over and over.**

We are a small village with a big heart. With only 450 homes and 1,313 residents (Wikipedia, don't fail me now) we need your help to keep our heart beating. Please consider taking on one of these events and reach out to the appropriate contact person to get started! This is a great opportunity for pre-teens and teenagers to get volunteer hours too! **I'm happy to help a teen or preteen chair an event, which would be great for a resume or college application!**

Below I have compiled a list of village events and volunteer opportunities. Taking on one of these events or activities earns you neighborhood glory. **If you are willing to organize one of 2023's upcoming events, please contact the appropriate person** - most events have "term limits" on co-chairing which means you have only a 1-2 year commitment, as well as the opportunity to apprentice under the current co-chair the first time around.

Parks and Recreation By: Curt Erickson, Recreation Director/Deputy Treasurer

First, congratulations to the class of 2023. It is amazing to see the graduates' pictures in our newsletter every year and then reflect how long I've known many of them from Toddler Playgroups, Camp-Ya-Gotta-Wanna, Arts & Athletics, other program participation, before moving into roles as Big Buddies, Camp Counselors, and Beach Lifeguards. The following high school graduates, at some point in their high school careers, have been employed by the Village: **Peter Carroll** (CYGW & referee), **Solveig DeCoster** (CYGW),

Finn Jaeger (Program Assistant, Referee, & Lifeguard), **Gretchen Lee** (CYGW), **Connor Paulowski** (CYGW & Referee), **Zach Redemann** (CYGW and Lifeguard), **Hans Sprinkman** (CYGW & Referee), **Theo Verhoff** (CYGW & Referee), and **Ella Whiffen** (Scoreboard Operator). Their service to the Village has been greatly appreciated and they will do great things in their future endeavors.

Rentals

June will be a busy month for rentals at the Beach House. The Beach House will be rented 6/9, 6/10, 6/11, 6/17, and 6/23. If you would like to check on availability or reserve the Beach House, Dailey Cabin, gym, or the tennis courts you can do this by visiting the Village's website.

2023 Key Fob Program

Were you a member of the 2022 key fob program and did not renew for 2023? If so, please return your key fob to the Village Center so that it can be assigned to other residents. If you are currently a 2023 member, do you know where your key fob(s) are located? If you have misplaced your fob, please notify the Village Center as soon as it has been misplaced for it to be deactivated. These fobs provide access to the Village Center, Beach House, and Dailey Cabin and could provide a safety and security risk if lost.

Beach House Staff Hours

The Beach House will officially be staffed the first full week of June. Great news, the Village will be installing the swim raft this summer, pending the availability of our contractor. There may be occasions where lifeguard staff are not present due to scheduling conflicts. In these situations, SWIM AT YOUR OWN RISK.

Know the signs of blue-green algae and if present keep yourself and your pets out of the water. Blue-green algae blooms occur throughout the summer in Lake Mendota. The water can appear green or blue and has a distinct smell. When in doubt, please exercise caution, stay out and keep your pets from entering the water. Public Health Madison-Dane County is scheduled to test the water quality weekly for E.Coli, but blue-green algae can appear within a few hours. For more information and test results visit:

<https://www.publichealthmdc.com/environmental-health/beaches-lakes-pools/blue-green-algae-precautions>

Beach Park Tennis Courts

As the weather continues to get warmer, there will be a significant increase in use of the tennis courts at the Beach. Be courteous to your fellow neighbors and adhere to the time of play.

The Village Tennis Courts have been reserved every Thursday from 6:00pm - 8:00pm.

No tennis or pickleball can be played on the courts before 7am and after 9pm. If people are waiting to play, try to limit your use to an hour to allow others to enjoy the courts. Please check the Village's calendar before playing to make sure they are available for open play and not reserved for exclusive use.

Summer Concert Series

Sponsorships are available for the 2023 Summer Concert Series. Please contact Curt Erickson at cerickson@villageofmaplebluff.com or 230-7655 to discuss the available opportunities. Thank you for considering sponsorship of our summer concerts. These wonderful community events would not be possible without the generosity of our partners: Pellitteri Waste Systems, Kwik Trip, Festival Foods, Best Buds Landscaping, Isthmus Partners, Sprinkman Real Estate, and Willy Street Co-Op.

Six Flags Great America

Monday, July 31
Time: Bus leaves the Village Center at 8am
Return: Bus will return at 8pm
Fee: \$130.00
Ages: 8 - 15
Min/Max: 30/40 participants
DEADLINE: June 15th
Instructors: Village Staff

Join us for a fun-filled day of twists and turns on the Midwest's tallest, fastest rollercoasters. Height restrictions will apply to the rides at Six Flags. Fee includes coach bus transportation, supervision, admission ticket. It does not include meals.

Six Flags went to "cashless" throughout the entire park. There are kiosks throughout the park to exchange cash for Six Flags "cards".

Summer Music Together

Tuesdays, June 27 - July 25 (skip 7/4)
Time: 9:00am - 9:45am (FULL)
Time: 10:00am - 10:45am
Dailey Cabin/Firemen's Park
Fee: \$70.00
Ages: 0 - 5 years old
Instructor: Susan Cramer

Each Music Together class is an active music making experience designed to teach the way young children learn through play with the ones they love! In this mixed-age class, each child participates at their own level through singing, moving, chanting, listening, watching, and exploring musical instruments. Classes provide a variety of adult-child activities that are engaging and developmentally appropriate and offer new ways to play musically at home.

The featured instrument is Maracas. Families will receive a beautifully illustrated songbook, a CD with the songs, and a code to access music online for each session. Spring morning classes will be held outside when the weather permits.

Arts & Athletics

Mondays - Fridays 6/12 - 8/11
2:15pm - 4:15pm
Beach Park
Fee: \$335.00
Ages: 7 - 12 years old

Arts and Athletics is a 9-week program available to residents between the ages of 7 - 12 (entering 2nd through 6th grade) This long-standing program provides a fun, safe environment at Maple Bluff Beach Park. Throughout the summer participants will engage in arts, crafts, games, sports, challenges, socialization, and other exciting activities.

Staff: George Apter, Henry Apter, Finn Jaeger, Sam Johnson, Charlotte Krez, Emmett Krez, Anna Moore, Roman Menocal, and Zach Redemann

CYGW

Tues, Wed & Thurs 6/13 - 8/3
1:00pm - 4:00pm
Firemen's Park
Fee: \$535.00
Ages: 3 - 7
Director: April Grogan

This 8-week summer program meets at Firemen's Park T, W, and TH from 1:00pm-4:00pm on June 13 through August 3. Enrollment for this program is open to all Maple Bluff resident children between the ages of 3 and 7 (entering 2nd grade in fall of 2023). CYGW playgroup will offer structured and free play opportunities, as well as arts and craft projects. Groupings will be divided based on the age of the children. Parent volunteers will try their best to group your child with friends. Parents will need to provide cell phone numbers at the time of registration. Please be sure to verify you have the correct phone number listed on your account.

Counselors: Simi B., Scarlett B., Kennedy C., Lainey C., Julia D., Luella D., Lincoln L., Olivia M., Gus M., Alex M., Dane P., Eloise S., Polly S., Spencer V., and Sophia W.
