# FROM MAPLE BLUFF BOY SCOUT TROOP 5

## Dear Villagers,

I hope you all enjoyed your holidays in the village and that now you're ready to gear up for 2024 activities! First up, we have Winterfest on the weekend of January 19th and 20th. The week will start with our winter medallion hunt -- a bedazzled blue skillet will be hidden somewhere in the village on public property, and each day a new clue will be released about the location. Finders will have 5 days to locate the medallion, and the first one there wins a cool \$100! Friday, January 19, we'll hold our annual Euchre Tournament at the Beach House and all adult villagers are welcome! Sign up ahead of time to guarantee a spot to play or come the night of -- we'll have beer, wine, and pizza for all players. This is a great way for new neighbors to meet people and card playing is fun and not competitive. However, there is a sizeable cash prize -- and word on the street is that all the Sugars will be absent this year, so someone else stands a chance to win. The next day, we will hold our beloved family-friendly Winterfest on Saturday evening! Plan on coming back to the Beach House -- and bring your skates and hockey sticks! We'll clear a rink on the ice, we'll play in the snow (hopefully!) and we'll have a chili cookoff. Respected villagers will judge each chili for heat, flavor, and presentation -- and we shall present a winner with an amazing prize. We're calling all chefs to curate their most curious chili and enter it in the contest! Previous years' winners include Jeff Masciopinto and Derek Paulowski, and we hear that they have been polishing their crockpots for this occasion. We will be needing volunteers for this event, so keep an eye on the sign-up list!

Speaking of volunteers, we always need volunteers. I know we're all busy, but please consider pitching in for Bocce, Shoreline Cleanup, or Fest on the 4th! Right now, the most pressing need is to start gathering donations for events and parties to be included in the Bocce Bash Silent Auction. The 2024 Bocce Bash will be held on Friday, June 7. Bocce Bash is a huge party, bocce tournament, and auction for fun parties and events in the neighborhood! We've been

doing this for 20 years, and we're able to use the funds to improve the Village's Park & Rec department. The money raised has improved playground equipment, upgrading/fixing things in the gym, and holding events like Fest on the 4th. This year, Katie Stephenson and I will be chairing the Bocce auction. We are officially ready to accept your donations of events and parties for anything between July 2024 and June 2025. The idea is for villagers to host parties (either in their homes or at another place) and to have neighbors attend these parties and get to know each other! It's a great way to connect with old and new friends, and to meet people you might not have ever crossed paths with! Some notable parties in recent years include Yacht Rock, Divebar Bus Crawl, Griswold Christmas Party, Cinco de Mayo, and College-Kegger. Whether you've lived in the village 1, 21 or 31 years -- we'd love you to host something! Team up with some buddies and host a dinner, happy hour, or themed event! In 2023, we had amazing success with the Toga Party, Bratoberfest, and Maple Bluff Challenge -- see photos below! Other ideas include the donation of a hosted event like a pickle ball party at PicklePro (thanks Patrick Riha!) or an in-home pizza party (thanks Betsy and Chris Guglielmo!). Shoot an email to [elle4379@gmail.com](mailto:elle4379@gmail.com) to let me know about your event, and I'll put it on the calendar.

Lastly, be sure to keep an eye out for signups for rec programming. Curt always has fun things coming, and registration for Camp-Ya-Gotta-Wanna and A&A are now available! You can also take advantage of open gym at Village hall -- we even have a set of pickle paddles, balls, and a net to play on our new court! Hope to see you soon!

*Sincerely,*

Ellen Reyerson

# Fire Rescue Department By Kristopher Loy, Fire Chief

## Response Information:

As of December 20, 2023, the Maple Bluff Fire Rescue Department (MBFD) had responded to 174 calls for service in 2023. The MBFD's new ambulance has responded to 62 emergency medical calls resulting in 37 patients being transported to area hospitals this year. Our crews have an average response time within the Village of 3 minutes 49 seconds (dispatch to arrival scene).

## Fireplace Safety Tips for Families:

Nothing quite creates a winter ambiance as well as a log in the fireplace and family gathered around to bask in its warmth and glow. Of course, playing with or near fire is dangerous for children, so please remember these tips from the MBFD before you light your hearth.

- If possible, keep a window cracked open while the fire is burning. This will help with airflow up your chimney.
- Be certain the damper or flue is open before starting a fire. Keeping the damper or flue open until the fire is out will draw smoke out of the house. The damper can be checked by looking up into the chimney with a flashlight or mirror. Do not close the damper until the embers have completely stopped burning.
- Use dry and well-aged wood. Wet or green wood causes more smoke and contributes to soot buildup in the chimney. Dried wood burns with less smoke and burns more evenly.
- Smaller pieces of wood placed on a grate burn faster and produce less smoke.
- Clean out ashes from previous fires.
- The chimney should be checked annually by a professional.
- Even if the chimney is not due for cleaning, it is important to check for animal nests or other blockages that could prevent smoke from escaping.
- Minimize your child's chance of burns from the hot glass front of some fireplaces, including gas fireplaces. Safety screens can be installed to reduce the risk of burns.
- Make sure the area around the fireplace is clear of anything that is potentially flammable (ie: furniture, drapes, newspapers, books, etc.). If these items get too close to the fireplace, they could catch fire.
- Never leave a fire in the fireplace unattended. Make sure it is completely out before going to bed or leaving the house. If you leave the room while the fire is burning or the fireplace is still hot, take your small children with you.
- Put fireplace tools and accessories out of a young child's reach. Also, remove any lighters and matches.
- Install both smoke and carbon monoxide detectors. Test them monthly and change the batteries at least once a year.
- Keep a fire extinguisher on hand.
- Talk with children as early as possible about the dangers of fires and the heat coming from them.

## Staffing:

In mid-December 2023, Assistant Fire Chief, Derek Weum, informed staff of his intent to resign from the Maple Bluff Fire Rescue Department. He will be pursuing a new career opportunity in law enforcement with another community in Dane County. We are truly grateful for all the time and dedication he has given our department and community over the past 4.5 years, and we wish him well in his new endeavors. Thank you, Derek!

With his resignation, the MBFD is now accepting applications for a new Assistant Fire Chief. Applications will be accepted until January 5, 2023, with interviews and testing to follow. For detailed information about this hiring process, please visit the Village's employment page at [www.villageofmaplebluff.com](http://www.villageofmaplebluff.com).

### Rentals

Will you be planning a large event this year at one of the Village facilities, such as a graduation party, sailing dinner, wedding ceremony, etc.? There are a handful of changes to the rental program that you will need to read carefully during the request process.

Rentals are now being accepted for 2024. All rentals require approval from Village staff to ensure there are no conflicts and that all necessary information has been gathered prior to payment. In addition, new in 2024, rentals that will have more than 100 people will require approval from the Parks and Recreation Committee and/or Village Board and will be charged a non-refundable cleaning fee of not less than \$150.00. Large event requests must be made at least 30 days in advance of your anticipated rental date.

### Johnson Park

After 3 years of planning, gathering community input, and gaining approvals from the Parks and Recreation, Public Works, Finance Committees, Building, and Village Board the Johnson Park Concept plan is moving forward. A new playground design was also approved during meetings in December. The playground will include equipment designed for 2-5 and 5-12- year-olds, new sidewalk connections, and an area for bicycle and stroller parking. Look for this project to begin late spring with a completion date before Fest on the Fourth.

Marina applications were distributed to last year's renters in their property tax bill envelope. These applications are due back by February 29th.
