ATTENTION CLASS OF 2023 FAMILIES...

JUNE 4th – VILLAGE GRADUATION PARTY

Graduation of our high school students is approaching. Each year, the senior parents host a village grad party at Beach Park. It is held the Sunday after bocce—this year, June 4. We’re in planning stages now and want to be sure we haven’t missed anyone. **Be sure your grad is included!** If you haven’t received an email yet, please contact Laura Verhoff at LSVerhoff@charter.net.

Welcome! By Tanner A. Nystrom

I would like to begin this month by welcoming our newest Trustees to the Village Board. I have already had the opportunity to interact with Lindsay Campbell and sincerely appreciate her leadership in creating the Citizen's Safety Advisory Committee. With her addition to the Village Board, I am confident that we can work collaboratively toward maintaining low levels of crime in our community while continuously improving the safety of our residents. Although at the time of this writing the position has yet to be officially appointed, I understand that we will soon be able to introduce another resident to fill the remaining vacant Trustee position. I am excited about the expanded contributions both will bring to our Village Government. Thank you for your willingness to serve.

I am also excited to make a couple of staffing announcements. First, please join me in welcoming Officer Matt DerManuelian to our full-time Police Department team! Matt recently accepted an offer to join us and started the onboarding process in mid-April. He comes to us by way of the Mt. Horeb Police Department with 6 years of law enforcement experience. Matt is a state certified instructor and brings a healthy dose of positive energy - we are all excited for his contributions to our team.

I also feel very fortunate to introduce our new Records Administrator and Administrative Support Specialist Abbi Linde! Abbi started working with us in early April and we are excited about the contribution she will make to our administration and police teams. She comes to us as a former dispatcher at Dane County Communications and has a diverse set of valuable talents. As Abbi assumes her very dynamic role with us, we already see her abilities, potential, and natural fit within our Maple Bluff family. Please join me in congratulating and

welcoming Abbi to Maple Bluff!

On a final note, I am happy to report our first success with the Flock automatic license plate reader (ALPR) cameras that we installed in mid-April. Within a few days of installation, our cameras detected a vehicle stolen out of the City of Madison. Due to our ability to instantly share this information with Dane County Dispatch, they quickly coordinated with surrounding law enforcement agencies. The Madison Police Department was ultimately enabled to recover the stolen vehicle, take the subject into custody without further incident, reclaim property previously stolen from a village resident, and issue 9 criminal charges. We chose Flock ALPR cameras to reinforce our ability to provide exceptional services, build trusting relationships, enhance safety, respond proportionately, maintain professionalism, and deter crime in our community. Our Officers are excited to know that the Flock ALPR cameras are a "force multiplier" that reinforces our small team's ability to serve the Village.

Finally, as the weather changes I look forward to seeing you in the community! Please remember to drive, bike, and walk safely. Thank you again for your courtesy and support.

Sincerely,

Tanner A. Nystrom

Officer Matt DerManuelian (left) and Abbi Linde (right) welcomed by Chief of Police Tanner Nystrom

Flock automatic license plate reader (ALPR) cameras are now up and running in the village

Department of Public Works By Tom Schroeder

Straight from a long winter into summer, then back to winter and now somewhere in between! We had hail three different times on April 19th, crazy. It looks as though we will settle into a more normal pattern but keep your eye out for the rollercoaster that has been the dominant framework of weather the last several years.

It is spring; with that comes the clean-up. Gardens begin their magic, a pier installed, equipment prepared for warm weather operations, the leaf machine and chipper are making the rounds. Please embrace the following to help us provide the best collection service possible:

- Place all the yard, garden, sticks, branches etc., on the terrace for collection.
- Materials should be separated into similar piles.
- Materials should not be placed near trees, mailboxes, poles, cars, or equipment.

Failure to follow these simple guidelines may delay or prevent our ability to collect the materials at the terrace.

We will be addressing snowplow scrapes and monitoring AT&T restoration from last year's project. AT&T has 30 days to restore their work areas, or we will address the needs and back charge them for our work.

We will be acquiring new trees for planting soon.

The Arbor Day and Bird City celebration took place Saturday, April 29th 9am-Noon. A portion of the celebration was held at the Beach House led by Paul Noeldner with his displays and unlimited knowledge of nature that surrounds us. I was at the Veterans Memorial planting trees.

We will be addressing tree removal and trimming in the weeks and months ahead.

Tip of the day...If you do not already have a lint collector on the discharge line from your clothes washer, I strongly suggest that you do. This does require monitoring and replacement but may prevent your sanitary line from clogging and backing up. I have been there and done that!!!

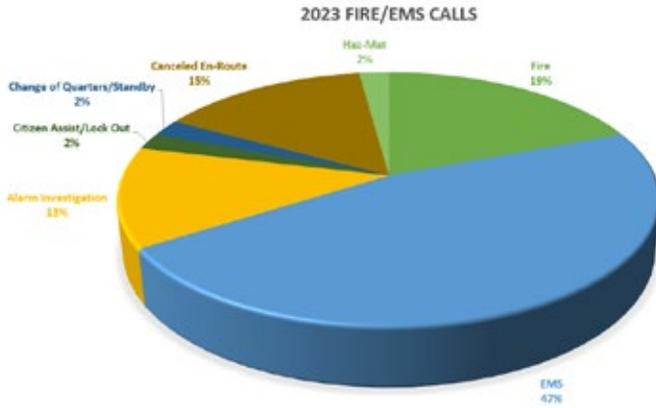

Fire Rescue Department By Kristopher Loy, Fire Chief

Response Information:

The Maple Bluff Fire Rescue Department has responded to 47 calls for service in 2023 with an average response time of 3.9 minutes within the Village.

EMS/Ambulance Update:

The Village of Maple Bluff's EMS 911 transport agreement with Ryan Brothers EMS ended on March 31, 2023 and our staff have been the primary EMS providers since that time. Throughout the month of April, our staff responded to numerous medical incidents which resulted in patients being transported to area hospitals. While we hope you never need to utilize our services, please know that our EMTs are highly trained and equipped to help with whatever medical emergency you may experience.

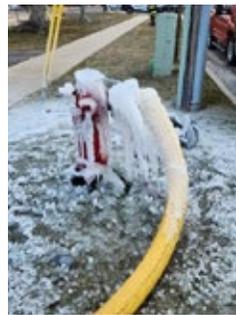

Automated CPR Device:

Earlier this year, our department was awarded a federal grant to assist with the purchase of an automated CPR device (LUCAS). The LUCAS device is designed to provide high quality, continuous, chest compressions to patients who have suffered a cardiac arrest. In addition to improving positive patient outcomes, it allows our staff to perform other vital, lifesaving, skills more safely while transporting patients to the hospital.

Recent Fire Responses:

On March 18, 2023, the MBFD responded with an engine company into the City of Monona for a multi-alarm fire at the 70-unit Monona Hills Apartments. The apartments primarily offer housing for elderly and residents with developmental disabilities. The fire took nearly four hours to bring under control. Unfortunately, one resident was unable to evacuate and was found deceased after the fire was extinguished. The cause of the fire is still under investigation and property damage is estimated to be \$2 million.

Fire/EMS Staff Recognition:

At the end of March, the Maple Bluff Fire Rescue Department honored its members who reached certain Years of Service milestones. Chief Loy presented each person with a plaque and pin. Congratulations all and thank you for your service!!!

Freitag, Alan	31 years	Dietzen, Douglas	5 years
Ripp, Joshua	25 years	Fisher, Scott	5 years

Reed, Katy	10 years	Weum, Derek	3 years
Yaskal, Jon	5 years	Wright, Gabriel	3 years
Bateman, Noel	5 years	Yusko, Sean	3 years

Fire/EMS Day At the Capitol:

In March, the Wisconsin Fire and EMS Coalition held a Fire & EMS Day at the Capitol. Over 150 Fire & EMS leaders from throughout the state of Wisconsin, including Maple Bluff Fire Rescue Department's Chief Kristopher Loy, met with legislators and representatives to discuss important bills and ideas that will help emergency responders. Attendees specifically discussed an initiative to help provide additional financial assistance to municipal Fire and EMS Departments, and Senate Bill 113, which would expand workers compensation coverage to all firefighters and EMTs suffering from PTSD. Chief Loy met with Senate Minority Leader Melissa Agard and Representative Jimmy Anderson's staff during his time at the Capitol.

Rentals

May and June will be busy months for rentals at the Beach House and Dailey Cabin. Here are the dates those facilities have been reserved in May. The Beach House will be rented 5/6, 5/7, 5/18, 5/19, and 5/27. The Dailey Cabin will be rented 5/13 and 5/14. If you would like to check on availability or reserve the Beach House, Dailey Cabin, gym, or the tennis courts you can do this by visiting the Village's website.

Bocce Beach Bash

The Annual Bocce Beach Bash is set to return on Friday, June 2nd beginning at 5:00pm. Join your fellow neighbors and friends for an evening of fun and socializing while trying to outbid each other on the wonderful Silent Auction items. Pre-registration for attending the event is recommended (it will close on Wednesday May 31st). The registration link can be found by visiting the Village's website.

We need your help with the village's biggest fundraiser for Maple Bluff Parks and Recreation. We are gathering donations for the silent auction portion of the event. All items must be donated by May 15th. The wild success of this fundraiser is 100% due to the generous silent auction donations from neighbors, like you! Please consider donating (party, dinner, event tickets, vacation home, outings, lessons, services, etc.) - we are here

for all ideas (sky is the limit!). It takes a village! Thank you! Trish Grant (trishLgrant@gmail.com) & Sarah Shah (mrs.sarahrshah@gmail.com) Bocce Beach Bash Silent Auction Co-Chairs

* All inquiries about registration, bocce tournament, food, and drinks should be directed to the Village. *

Programming

Babysitter Training

Saturday, May 6th
9:00am - 4:00pm
Ages: 10 - 15
Instructor: Anissa Fellenz
Village Center 2nd Floor Training Room
Fee: \$110.00
Maximum # of Participants: 12

Become a capable, confident babysitter that families want to hire. By enrolling, you'll learn from the experts how to provide care for the kids in our neighborhood. From choosing age-appropriate activities, to keeping kids safe, handling a range of behaviors to building your babysitting business, our course can help you become an in-demand sitter who can handle virtually any situation.

Summer Music Together

Tuesdays, June 27 - July 25 (skip 7/4)
Time: 9:00am - 9:45am (FULL)
Time: 10:00am - 10:45am
Dailey Cabin/Firemen's Park
Fee: \$70.00
Ages: 0 - 5 years old
Instructor: Susan Cramer

Each Music Together class is an active music making experience designed to teach the way young children learn through play with the ones they love! In this mixed-age class, each child participates at their own level through singing, moving, chanting, listening, watching, and exploring musical instruments. Classes provide a variety of adult-child activities that are engaging and developmentally appropriate and offer new ways to play musically at home.

The featured instrument is Maracas. Families will receive a beautifully illustrated songbook, a CD with the songs, and a code to access music online for each session. Spring morning classes will be held outside when the weather permits.

Summer Robotics

Monday - Thurs 6/12 - 6/15
9:00am - 12:00pm
Fee: \$128.00
Ages: 6 - 12 years old
Village Center Conference Room

Why are robotics important for youngsters? Robotics is the future. Robotics has seen enormous growth in the last decade and the pace is rapidly increasing. These classes keep all kids engaged with hands-on, experiential based activities. Each class, students will design, build, test, and modify different robot projects.

Programming cont.

Arts & Athletics

Mondays - Fridays 6/12 - 8/11
2:15pm - 4:15pm
Beach Park
Fee: \$335.00
Ages: 7 - 12 years old

Arts and Athletics is a 9-week program available to residents between the ages of 7 - 12 (entering 2nd through 6th grade) This long-standing program provides a fun, safe environment at Maple Bluff Beach Park. Throughout the summer participants will engage in arts, crafts, games, sports, challenges, socialization, and other exciting activities.

Staff: George Apter, Henry Apter, Finn Jaeger, Charlotte Krez, Emmett Krez, Anna Moore, Roman Menocal, and Zach Redemann

CYGW

Tues, Wed & Thurs 6/13 - 8/3
1:00pm - 4:00pm
Firemen's Park
Fee: \$535.00
Ages: 3 - 7
Director: April Grogan

This 8-week summer program meets at Firemen's Park T, W, and TH from 1:00pm-4:00pm on June 13 through August 3. Enrollment for this program is open to all Maple Bluff resident children between the ages of 3 and 7 (entering 2nd grade in fall of 2023). This afternoon playgroup will offer structured and free play opportunities, as well as arts and craft projects. Groupings will be divided based on the age of the children. Parent volunteers will try their best to group your child with their friends. Parents will need to provide cell phone numbers at the time of registration. Please be sure to verify you have the correct phone number listed on your account.

Counselors: The interview process had just completed at the time this newsletter was submitted.

Summer Concert Series

Sponsorships are available for the 2023 Summer Concert Series. Please contact Curt Erickson at cerickson@villageofmaplebluff.com or 230-7655 to discuss the available opportunities. Thank you for considering sponsorship of our summer concerts. These wonderful community events would not be possible without the generosity of our partners: Pellitteri Waste Systems, Kwik Trip, Festival Foods, Best Buds Landscaping, Isthmus Partners, Sprinkman Real Estate, and Willy Street Co-Op.
